

CT Section AWWA Associates Committee

Waterworks Career Scholarship Program

Thanks to the generosity of the Associates Committee and the Section Enhancers, up to a \$2,000.00 scholarship will be awarded to a student pursuing a career in the Waterworks field

Applications are now being accepted for the CT Section AWWA Associates Committee Waterworks Career Scholarship Program. This scholarship may be awarded to one or more college student(s) majoring in civil or environmental engineering or other water industry-related fields by a specific vote of the Scholarship Committee.

Applicant eligibility includes CT AWWA Section Individual, Utility, and Corporate members or their employees including their children or dependents who are a college student entering their junior or senior year, or a graduate student enrolled in an accredited water-related program. The awardee must satisfy other qualifying criteria as identified in the application.

Corporate and Utility employees must live in Connecticut or be reporting directly to a Connecticut location as their home base of employment. Student members of the CT Section are also eligible. Below is a link to the individual membership form.

Awards will be based on academic performance, participation in school and community activities, application completeness, and autobiographical sketch.

To be considered for this year's award, applications must be received by **Friday, March 28, 2026**. Applicants must submit a completed application form and the following information:

- **A transcript of your college record**
- **A typed and signed autobiographical sketch highlighting:**
 - **What piqued your interest in your chosen field**
 - **What you plan to do in the future**
 - **Your accomplishments, interests, hobbies**
 - **Name of the last book you have read, why you read it, and its significance to you**
- **Identify a person (not a relative) who has most influenced you and explain why**
- **Identify any special circumstances that you wish to be considered that may distinguish you from other applicants. These may include but are not limited to obstacles you have overcome, academic goals, interests, advancements, financial constraints, etc.**

For an application and additional information, please visit www.ctawwa.org

Completed applications can be returned to kristopher.bates@ferguson.com or the following address and mark the envelope:

Scholarships may vary in amount and will be awarded to college-level junior, senior or graduate level candidates currently enrolled in an accredited Civil Engineering or other water related educational program who are members or children/dependents of **an individual member of the Connecticut Section AWWA**. Student members of the CT Section AWWA are also eligible. The scholarship award winners may be announced in the Spring at the Connecticut State Capitol in association with the Connecticut Water Works Association. Previous scholarship winners are not eligible for an additional award.

If there are any questions about the process, please contact Kris Bates, Kristopher.Bates@ferguson.com
